HOW TO CREATE A GAME USING AN EXISTING QUESTION BANK ON BADABOOM!

Note: You will need the unique question folder ID of the desired quiz.

1. Go to http://badaboom.hk/ and login to/sign up for your free Badaboom! account.

2. Select "Create a Game" on the main menu.

3. Choose a unique name for your game.
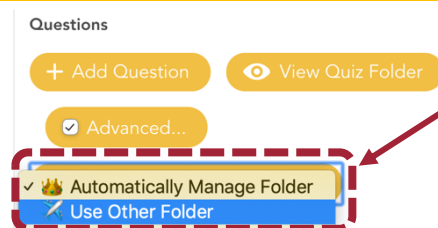

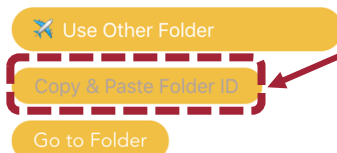

4. Under the "Questions" options, select "Advanced".

5. Change "Automatically Manage Folder" to "Use Other Folder".

6. Paste the unique question folder ID in the space provided.

7. You are now ready to start your game!
